Agenda

Approval of Sept minutes

Old Business

Archives update – Stephanie R.

- All SCIL archives are at CSU Fullerton
- Stephanie will get in touch with CSUF archival staff to coordinate processing/accessioning
- Stephanie will send out call to ask for volunteer processors – will also ask about the possibility of including volunteer student processors.

Outreach update – Michelle Jacobs-Lustig and Brenna Smith are currently working to coordinate informal meet-and-greets.

SCIL Connect update

- Creating new student questionnaire
- Nov 12 – elicit librarian volunteers

SCILWorks – Gayatri

- Talitha has already submitted call for proposal to CARL listserv
- No proposals so far
- Discussion of including a line item in workshop/conference budgets to cover potential costs of accommodating ADA needs. Questions raised about whether or not CARL would help cover potential costs.
- Scholarship – will announce after program is put together.

- Action: people will spread the word to different groups to drum up interest, Talitha will resend to list, include extra line about “please repost”.

Bylaws and Elections update – Allie Carr

- Kelly J. (CARL) will include ballot measure in November re: new bylaws
- We will need short-term Vice Chair, Registrar, Secretary
- Group should start brainstorming people who might want to be Vice Chair for the short time period

New Business

Informal meetups – Stephanie

- Gayatri will organize a San Diego meetup
- In previous meetings, some people volunteered to organize some meetups – there is one planned for after the Nov 30 meeting?
- The goal of meetups is to meet other librarians who live near you, informal gatherings.
- Action – Gayatri will contact Michelle Jacobs-Lustig to see if anyone is already hosting an SD meetup.

Member Items

Gayatri announcement – reminder of call for nominations for PRIMO (Duffy Tweedy)

Allie question:

I’m looking for interesting activities to use when teaching the databases. I’m completely out of ideas and am tired of demo’ing or walking the students through the databases.

- Nancy – “Discovery” exercise where students explore DBs on their own.
- Have students create their own database tutorials using Jing?

Meeting concluded at 10:48

Next meeting: Nov 30 following CARL-DIG mtg

Talitha will send out reminder about next business meeting
