IV. Submit for CARL - discussion led by Mary-Michele

- We need to submit a proposal in by October 1st.
- We should be a spot in the conference.

- Goal for SCIL is to promote ourselves, and to show off what we can do and what we are about. We can run the gambit as long as we align with the conference.

1. **Seeking Ideas from the group within the framework:**

- a. Amanda Roth: Suggested a panel.
 - i. Diversity in instruction we could do something similar. How has instruction changed - synchronous, asynchronous, new ways of doing instruction. What our jobs now entail, has our skills had to change or knowledge had to change. (several people liked this idea)
2. How much time do we get? 2 - 5 presenters or 60 minutes.
 - a. Amanda - 4 to 5 people to talk about what they are doing. Diversity in the jobs!!!
3. Sending out a call - look for 15 mins of time speaking at CARL. Then whittle down the list.
4. **Action Item, Amanda R.** Propose a Google Document that we can contribute to - Mary-Michele to lead this. A draft will be provided with a link.
5. We worked collaboratively to come up with ideas for the proposal for CARL

V. **We have SCIL Works coming up.** There is presentation component.

- This is a ½ day workshop.
- Hosted at West LA College - Susan Trujillo.
- Large room with view.
- Have a format - presentations and lightning rounds.
 - There is another small room of 25. And a 3rd room a few floors down. You could do break outs where you could choose the presentation.
- We can select the format based on the number of proposals.
 - Last year there were 12+/- submissions.

1. **Seeking Ideas from the group for SCIL Works format:**

- Kendall - workshops and do some breakouts for active learning.

- Amanda - We will decide once proposal are in.
 - The calls will have to go out soon. Probably in Mid October. 45 min presentation. 15 Min workshop (like a one shot). Proposals in lightening rounds. What would the setup be to post a "poster." There are places to spread out in the one room, can do easel. There is also a balcony (according to Susan).

- JA (Ashford) - Just had some layoffs at Ashford and lost some of their team. Lost both librarians at the Univ. of the Rockies in Denver and his team is having to pick up the slack. Library director position will filled. Enjoying using Camtasia and the chance to create.
- ST (WLA College) - down a systems librarian. Elected chair of the library position. Not sure when the position will be filled.
- AR (UCSD) - Still in the process of hiring a First Year Experience Librarian. Quarter just started. NU scholars - 15 students get their tuition paid, stipend, etc. and speaking opportunities. In return they have to work and publish before they finish. Content strategy looking at every tutorial on the website, creating new tutorials, figuring out what's going to be different types of information. Teaching research methods in radiation
